Phone Number \_\_\_\_\_

By becoming a member of the Embassy, you are helping us to continue putting on quality exhibitions and events in Edinburgh. Not only do annual membership fees form an essential part of our budget, but our membership is also an indispensable resource (in terms of invigilators, new directors, etc.) for our volunteer committee. There are also many benefits available to you when you become a member:

- You can apply to have your work included in our annual members' show
- You will receive regular email updates about the Embassy's exhibitions and events
- You will be eligible to apply for a position on the Embassy's directorship when one becomes available

And, for a limited time, we are including the Boneless Box free with the purchase of a membership! A mini-archive of our recent re-launch exhibition, the Boneless Box features paper-based multiples created by the artists especially for the box, as well as an exclusive Embassy Badge!

All for the Low Low price of 10 pounds

We can keep a Boneless Box aside for you and you can come and collect it from the gallery at your convenience.
