

The Embassy is a non profit artist run organisation with seven directors who act as a curatorial and organisational committee. After two years a new committee will be elected by the members to ensure that the organisation evolves and maintains a level of energy.

Members play a crucial role in the continuing success of The Embassy, contributing actively to the gallery, exhibiting their work and providing the organisation with a powerful voice when advocating wider support for artists.

Membership entitles you to:

Submit slides or digital images to The Embassy image bank. These images will be available for visitors to the gallery to view but also used to select shows within the gallery and for shows elsewhere.

Submit proposals for projects within The Embassy space.

Receive mail-outs, keeping you informed about events, exhibitions and opportunities.

Exhibit work in the annual members show.

Complete the form on the reverse and send to The Embassy together with cheque / cash for the appropriate amount or hand form in at the gallery.
